

IBEW Local 570

Chuck H. Grube

Business Manager/Financial Secretary

A MESSAGE FROM THE BUSINESS MANAGER

2017 has been a very busy year for Local 570. Our membership has increased with 112 new Brothers and Sisters brought into membership since the start of the year. We are currently 829 members strong and have 225 retired members on IBEW pension. Four contracts have been ratified – ASARCO, Harris (now called Peraton), the Inside Agreement with NECA, and OPEIU. I want to thank the members that participated in the negotiations with Harris and ASARCO. Also, many thanks to the members involved in the ongoing BIA/SCIP contract.

I encourage all members, "A" and "BA", to speak to their co-workers who are not members about the importance of solidarity, of having 100% membership in the bargaining unit. It's in our best interest to show the employers we are united and strong. I'm looking forward to working with members for continued success and future growth.

The Local 570 office staff and I wish you and your families a very happy and safe upcoming holiday season.
