A MESSAGE FROM THE BUSINESS MANAGER

As we move into the summer months, our work picture continues to be very promising. According to the U.S. Bureau of Labor Statistics, Construction in Arizona has increased 6.5% between March 2017 and March 2018 with Mining increasing 6.3% in the same time period. 2018 has been a very productive year in relationship to jobs and market growth for our Local Union. The U.S. unemployment rate fell just below 4% to 3.9%. Arizona's unadjusted rate for April 2018 is at 4.4% with Pima County a little lower at 4.1% and Yuma at 15.7%. The construction specialty trades have increased in Tucson 6% between April 2017 and April 2018, with Yuma increasing 4.2%. What does all this mean for our future? The outlook is very encouraging if we continue to organize the non-represented workers and engage the non-signatory contractors while at the same time supporting our signatory contractors thru productivity, allowing them the opportunity to capture projects to sustain our good fortune of full employment.

The hard work by every member of Local 570 over the past year has paid off with greater market share. It is up to us to continue building our Local's market share throughout southern Arizona. I welcome any suggestions or insight you may have to advance this goal. Great job by everyone.

IBEW® HOUR POWER

Patrick Armet, 4th year apprentice was presented with the honor of IBEW Hour Power, 2017 Outstanding Apprentice of the year. This prestigious award is attributable to Patrick's high energy, positive attitude and resilient leadership in and out of the classroom. He strives to become an exceptional Journeyman Inside Wireman every day. His excitement and enthusiasm in the apprenticeship program flows into his daily work and it is contagious!

Patrick has been an active member of IBEW Local 570 since day one of his acceptance into the apprenticeship program. As an active union member, Patrick gives his time generously helping assemble food in food boxes for union members in need, he was amongst forty-five apprentices volunteering eleven hours on a Saturday for a Habitat for Humanity Blitz Build of four homes, along with volunteering community service with Local Union 570. Along with this rigorous schedule as an apprentice, Patrick balances work, school, giving back to the community and family; his supportive wife Kelly and their 3-year-old daughter Elizabeth.

Apprentice Of The Year Exam

On March 10, 2018, fourteen 5th year apprentices took the Apprentice of the Year Exam.

Scott McMullen earned the highest score and competed at the IBEW 7th District Apprentice Contest in Albuquerque, New Mexico on March 22, 2018.
