A MESSAGE FROM THE BUSINESS MANAGER

As we go into the Holiday Season, the Local has many things to be thankful for. We've had the opportunity of full employment and providing for our families. We have organized many workers in the electrical trade, giving them the ability to have health care, retirement and safe working conditions. We have increased our general fund, providing us with the funds to continue the work that we, as a Local, have been doing for over 100 years. Our Apprenticeship continues to increase in numbers, attracting larger classes to meet the demands of a larger market share. We have expanded the instructor staff with exciting, conscientious Journeymen, sharing their knowledge with our future Journeymen and women. Our Signatory Contractors have been blessed with many projects and continue to strive for future projects. So, yes, we have a lot to be grateful for this Thanksgiving Holiday.

I hope everyone has a safe and enjoyable Thanksgiving and a Happy Holiday Season. I wish prosperity for our members and our community going into 2019.

Chuck Grube
